

I am

I'm trying to

But

Because

Which makes me feel

Manager

know whether I  
am affected by  
chronic disease

I don't trust  
the prediction

Irrational fear of  
getting renal  
failure

Mixed up

Retired  
Person

to take a chronic  
disease test

not interested  
to take test

I don't have  
money to take  
required test

Crushed
